## Highlights of This Summer at Camp Chickawah

You can take either plan I or plan II, but you gotta take the one I want.

Mention must be made of Ginger Primoff who outshone his brother, the redoubtable Bob.

Shop, arts and crafts, was a worthwhile activity this summer under the direction of Uncle Will.

A certain magician by the name of Frank Finneran had the boys going for a few days wondering where was what and how and why.

We had girls from Camps Woodland, New Found, and the directors of Tapswingo over to our circus. What a time was had by all. A six-act one ring show, lemonade, ice cream and hot dogs and everything. What fun!!

A scholar, a gentleman, an editor.

and all that sort of stuff.

for our undefeated Madnet Varsity.

Three victories out of three games.

## Hail to Kitchen Staff!

One of the many highlights of a season in Camp Chickawah is the excellent food. Our chef, Rudolf, who has been at camp for five years, is known not only for his delicious meals but also for his calm, friendly disposition. Alex, expert baker, makes our meals more enjoyable with tasty desserts and cakes. And Cliff, the assistant chef, prepares our salads besides helping out generally.

Rudolf, Alex, and Cliff leave us nothing to be wanted in the way of fine foods.

The menu of the banquet served this evening is printed in souvenir.

## Grays Win Song and Cheers

The Gray gained two points in their struggle to overtake the Blues when they won the Cheer Contest by a very wide margin but lost the Song Contest by a third of a point. The Blue and Gray Fight Songs were judged to be the best, the officials being unable to decide between them. Third was the Blue Alma Mater followed by that of the Gray. The Blue Marching Song and the Gray March were judged fifth and sixth. After much heady computation by Uncle Henry, assisted by Uncle Dan, Uncle Bill and mathematics, the Blue were awarded two and two-thirds points to the Gray two and one-third.

The Gray cheers were far superior to the Blues, finishing first and second. This gave the Grays three and two-thirds points while the Blues received one and one-third.

## Blues Excellent In Show

For their dramatic offering the Blues presented "Well, I Declare" an amusing, entertaining play which was enhanced no little by the splendid performances of the cast. Stanley Katz in the lead role surprised all concerned with his well paced acting in the role of Dr. Dalton. Alan Scheiber and Bob Wolf in what really amounted to dual roles were excellent. The rest of the cast "Bubby" Stein, Summer Rosenberg and Lenny Harris handled their lines very well.

### The cast of characters:

Dr. Dalton ..... Stanley Katz  
Dr. Fabinowitz ..... Julian Stein  
"Bubby" ..... Alan Scheiber  
Professor Cleaver ..... Robert Wolf  
Robert Harris ..... Leonard Harris  
Henry ..... Samuel Rosenberg

## Grays Fail to Impress In Dramatic Offering

With the fate of the Gray team in their hands, the cast of the Gray Players put forth a noble but vain attempt to nose out the Blues last Saturday night when they presented the one-act play, "Paradise." Stanley Porosky, a newcomer to the Chickawah stage, took the lead part. Considering his lack of experience, he did a very good job. Bert Sokoloff, a veteran actor, who played the principal supporting role, could not find time to learn his part, due to the pressure of constant athletic competitions. His constant ad libbing slowed up the action of the play considerably. In all justice to the cast of the losing play it must be said that their script was greatly inferior to that of the Blues.

The best bit of acting in both plays was done by Sam Greenspan who acted the part of the Stranger. He was about as good as the Stranger executed his first part on the Chickawah stage perfectly.

### The cast:

Station Master ..... Sam Greenspan  
She ..... Stanley Porosky  
He ..... Bert Sokoloff  
Stranger ..... William Fernandez  
Voice offstage ..... Sigmond Koch

## Varsity Ties Indian Acres

The Chickawah Senior Varsity played an exciting 3-3 tie game with Indian Acres on August 14. The game, played away, was featured by the excellent batting and pitching of Jesse Tamis coupled with the batting of "Slug" Weinberger. Canner, the Indian Acre pitcher, was the best hurler the Chickawah varsity has faced all year. Joe Tuffash was the only other Chickawahian to garnish a hit from his offerings.

Two unearned runs were scored by the home team in the first inning and another was added shortly after. Tamis and Weinberger combined to score the first run for Chickawah. In the last half of the seventh however, the boys took advantage of the breaks to tie the score.

## CONGRATULATIONS, BLUES

Congratulations, to the victors in the Blue and Gray of 1934. The series was hard fought, the teams were evenly matched, the winners won on that little bit of extra push and fight. Blue and Gray again fades into one of our pleasant memories.

We hope that the various games of the Blue and Gray with their strong competition have taught the campers the value and enjoyment of team play and good sportsmanship.

## FROM UNCLE WILL'S SERMONETTE

"Excellence dwells on high and steep rocks. He who would attain it must sweat blood to reach there." Matthew Arnold—Excellence is not perfection. It is, rather, the attainment of a goal to which one has set for himself whole-heartedly no matter what the obstacles may be. Whether the goal is reached by brain or brawn, the reward lies in the operation and not in the achievement itself.

## THE NEW POLICY

In the first few days of this season Uncle Chick outlined his new policy in camp activity. The outstanding characteristic of this program was the emphasis on self-direction. If campers could partake in various activities without the constant leadership of counselors to tell them everything to do, the new policy could be called a success. Throughout the seasons campers were offered many free-play activity periods with a wide choice of sports and cultural studies such as nature and arts and crafts.

Now, at the end of the season whatever has been accomplished can readily be seen. The great majority of our boys know what they want to do and have learned to use their spare time, intelligently. If that is all the new plan has done for the boys and for the camp, it is a success.

## RESUME

(Continued from page 1)

and Uncle Chuck under the direction of Uncle Haek and Uncle Arthur made musical history on the night of the Musical Comedy. "Busby Berkeley" Meisel directed the chorus.

"Two Crooks and a Lady." Why bring that up?

And no summer can be complete without the charm, the distraction and the sweet allure of the Chickawah crew.

When the "Chirps" disappeared as it did so often, the news on the campus was ably disseminated by the "ears, the eyes, and the nose of the campus" Uncle Arthur's news reel.

What a jolly crew of seamen and pirates prowled about in the Kiddie Show. Shades of Gilbert and Sullivan! Primoff, Neustadt, Mike Lewenthal, what singing.

Uncle Dan, Bill and Jesse showed the South Caseo team a thing or two when they played on the Harrison baseball club. The whole camp went to town that day to see "our boys" do their stuff.

"Little fishes say, 'you naughty man.'" And so on. Some show, some fun. 'Ray for our pioneers.

And while dwelling on funny things, remember the Chickawah Band. Epstein at the drum, the actor Gilman at the Clarinet, "Captain" Katz with his baritone.

They meant it to be serious but the boys almost laughed themselves out when the Seniors tried to do the Pioneers one better. While the paper goes to press public opinion still is on the side of the younger kids.

Uncle Chick's new policy of self-

## Highlights of the Tribal Competition

That indoor baseball game when the Creole Seniors beat the Cayugas in a 9 inning game 1-0. Those two 8-7 ball games when the Creoles beat the Shawnee and the Cayugas.

That volley ball game between the Shawnee and Creole when the Shawnee lost the first game and were losing the second game 19-2, but came back to win both the 2nd and 3rd games 21-19.

Remember those memorable four days in the middle of the season when the Shawnees garnered 35 points to approach first place?

Hats off to the swimming squad of the Cayugas who won every meet. They won one meet by 10 points even with M. Spielman out of the line-up.

Every team took a 1st, a 2nd and a 3rd in the last three track meets. The Creoles won the fourth meet to become the only double winner.

Hail to the Cayuga War Flag. An orchid to the Creole seniors who won every baseball game.

Listen to the great big "if" of the last day of competition.

If the Cayuga Seniors beat the Creoles in hard ball and the Shawnee Juniors beat the Creoles in box ball and Ben Jelson beat Ralph Trifflerman in hand ball, then the Cayugas and Shawnee would have been tied for first place and the Creoles would be one point behind.

But, with two-thirds of the camp cheering for their opponents, the Creoles won the senior game and claimed first place.

## Grays Win Junior Volley Ball

Despite the gallant efforts of Leonard Harris to stave off defeat, the Blue juniors lost to the Gray youngsters last Wednesday morning in a game of box ball. The score was 17-7. Marvin Ackerman and Sanny Kossar played stellar ball for the winners. D. Stephen McGrath officiated.

direction took hold this summer. Campers are no longer so dependent upon counselors for constant advice on what to do. This new program was featured by intelligent direction during frequent free-play periods.

The highlight of them all. The resolution of the directors of Camp Chickawah not to have guests for the year 1935.

**QUESTIONNAIRE ON THE BLUE AND GRAY, BY A JUDGE**

By D. Stephen McGrath, B. A. M. A.

During a long volley in the counsellors' ball game which camper was heard to exclaim, "Hit it to Uncle Stanley, he is going to be a policeman"?

What Gray counsellor forgot to read his junior boxball rules and found to his amazement that the judge was right? (If such a thing is possible).

What Blue counsellor at the song contest thought that the judges were "poorly selected"?

What judge who umpired the Senior baseball game asked the umpire on bases what the count on the batter was? This night life, Tak, Tak!

What gray junior baseball player crossed the plate twice but never scored a run? Page Ripley!

What gray senior lost a pistol in the woodshed but retrieved it without going off stage?

What ladder climbing gray counsellor drew the wrath of the directors during the past series?

What camper didn't think the judges weren't trying to even things up?

**Grays Sweep**

**Tennis Matches Handball Games Divided**

Immediately after services Saturday morning, the tennis and handball matches were held with the Grays scoring four out of the five points. The Gray Seniors, Bert Sokoloff and Siggy Koch, defeated Joe Tufflash and Sumner Rosenberg 9-6. Nine game sets were played because of the limited time.

The Gray Sub-Seniors, Dick Treitman and Dick Kleiner, beat Erwin Mach and Bernie Levin decisively. Bob Wolff and Lenny Harris, the Blue Intermediates, were overcome by Bob Joelson and Marvin Ackerman in a close match. Stanley Neustadt and Blackie Mandel won their Sub-Intermediate handball match from "Puffer" Joelson and Larry Lewenthal rather handily. The one Blue point was scored in the Junior group where Morris Judson and Melvin Mandel defeated Ralph Triffleman and Bob Tripler after a tough battle.

**Win Volleyball Score Shutout in First Game**

After walking away with the first of two out of three Volley Ball games, the Blue Juniors encountered severe opposition but managed to win the third game by two points to take the Gray Juniors into camp Thursday morning. The score of the three games were 15-0, 13-15, 15-13. Bobby Wolff was the outstanding man for the Blue.

Remarks on the game: Uncle Maurice was at his best in his dramatic portrayal of grief, anger, disdain, encouragement, and deep despair. Perhaps ladder climbing was part of his physical training course.

**Lewenthal's Homer**

**Wins Game Hit Drives in Four Blue Runs**

By virtue of a timely home run by Myron Lewenthal in the last half of the ninth inning of the Junior indoor baseball game last Tuesday afternoon, the Blues beat the Grays 11-10. The Blues were trailing by two runs when "Slugger" Lewenthal went to bat. That hit of the game brought in the three men who were on the bases then. Pitcher David Judson played good ball for the Grays.

Dick Kleiner and Ralph Triffleman aided the Gray cause by contributing ten points each by virtue of a double win in their respective groups. "Captain" Katz of the seniors gained ten points for the Blues. The Grays were ahead before the start of the relay, but a Blue victory was apparent before the race was half over. Bob Wolff gained an early lead for the Blue by sinking his baskets in short order. **Kroll Leads Blue to Victory Hollander Stars in Triumph**

Although outclassed by a greatly superior team, the fighting Blue counsellors led by "Spiker" Kroll beat the Grays in volleyball last Thursday evening. The Grays won the first game quite handily with Jesse Tamis in rare form. In the second game, however, a severe case of disorganization struck the Gray counsellors who thereafter proceeded to drop the following two fifteen point games. "Dutchy's" serve many points for Maurice again ladder climbing.

## CHICKAWAH CHIRPS

Midgets Beat Wigwam  
Seniors and Juniors Lose

In the return contests with Wigwam the Chickawah varsities were not as successful as they had been in the first set. This time our opponents won two of the three games played. Our Midget Varsity however can still hold its head high and point to its unblemished record. The Seniors lost 7-5, the Junior team was vanquished by a 15-6 score, but the Midgets came out on the large end of a 7-4 score.

The Senior game played on our home grounds was lost because of one bad inning when Bert Sokoloff and his successor, Bert Kossar, had trouble in locating the plate and so forced in most of the winning runs. Wigwam was only allowed three hits in the seven innings played. Two were made off Sokoloff in the three and a fraction innings that we pitched. The Chickawah batters seem to have lost their effectiveness but outit the victors. Poor base running and untimely hitting helped in the downfall. The first innings men were left on bases even when they had arrived there with none or one out. A spirited rally in the last inning brought the Chickawahians up close to winning the game, but the last out was made with the tying runs on bases.

The Juniors were again out-classed by a harder hitting, cleaner fielding team that played heads-up baseball and deserved to win. Erwin Mach in the box did fairly despite the twelve hits that were made off him but the rest of the team did not hit up to expectations when a hit was needed, or a clean fielding play was necessary. The Midget

## HERE AND THERE IN BLUE AND GRAY

The Senior Volleyball game was a close hard fought match that found a fighting Blue team come from behind to snatch the victory from the Gray's grasp. Led by Manny Weinberger and Bubby Stein, the Blue aggregation took the second and third games from their opponents after dropping the first one. Bert Sokoloff, Siggy Koch and Milt Spielman played well for the losers.

The Blue counselors came from behind last Wednesday evening after supper to take the Gray counselors into camp to the tune of 9-6 in a seven inning box-ball game. Uncles Haek and Leon starred for the Blues while Uncle Maurice at first was the outstanding Gray man. The game counted for one point on the tally.

The Blue Seniors came from behind Thursday morning to defeat the Gray by a 9-7 score in boxball. The game ended with the Blues staving off a last inning rally by catching Siggy Koch off third base, with the bases full and two out. "Captain" Kate, functioning very well under his lucky cap, got six for seven.

game, like the Junior played at Wigwam, was a decisive victory for our batsmen. With Bob Wolf and Dick Treitman leading the attack, they pounded out hit after hit and totaled 7 runs. Dicky Treitman in the box pitched his customary good game getting good support from Myron Lewenthal, Sherman Goldstein and Dave Judson.

The Grays won the Senior Indoor Baseball game by a 9-5 score. The Blue attack and defense did not begin to function until the third inning, the Grays scoring all their runs in the first two innings. Donny Spielman, Sumner Rosenberg and Manny Weinberger were the stars in the losing cause while Bert Sokoloff, Siggy Koch and Bill Fernandez were outstanding for the victors.

The Blues and Grays split in the hard ball games held Saturday afternoon. The Blue seniors and gray juniors taking their respective games. Players, officials and coaches found great difficulty in keeping awake during the course of a one-sided struggle on the Senior Diamond. The junior contest was more like a ball game, the grays winning by an 8-7 score.

Manny Weinberger becomes the second camper to lead two winning Blue teams. Oscar Sokoloff in '25 and '26 was the first.
