

Blue Fight Song 1978

(tune: California Here I Come)

Look out Gray we're coming through
No-ones going to stop the Blue.
We'll beat you, defeat you, in every way.
We'll play tough, ~~and~~ stay tough
That's how we defeat the Gray!
And we'll put Gray team to the test.
We will never let them rest
Cause we know that Blue's the best.
Step aside we're coming through!

Go Blue!

BLUE ALMA MATER

(tune: Leaving on a Jet Plane")

The summer flies before we know
And as we watch our friendships grow
We think of all the memories we've made.

Camp life is the life for me
There's no place I'd rather be
Chickawah you've been a friend to me.

The rolling hills, the forest green
A finer place, I've never seen
Think of all the memories we've made.

Chick'wah
Camp we all love
The place we're always thinking of
Chickawah you've been a friend to me.
