

BLUE TEAM COMEDY MEDLEY 1980

1. (tune: Alley Cat)  
 Good evening Judges how are you, welcome to our show  
 Some really funny things have passed, some that you should know.  
 So sit right back, enjoy this tune  
 Listen to us folk  
 Blue team's gonna win this show  
 Cause Gray team is a joke
2. (tune: "My Bonnie lies over the ocean")  
 Regan went in to get hoagies...A short simple task he did take  
 But when Regan messed up the order...His bed took a trip to the lake.  
 Doug and Eddie, why is my bed on the raft, the raft  
 Do you think I sleep in the lake just like Taft.
3. (tune: Brady Bunch theme)  
 Here's the story of a bunk named seven, with five very very very  
 different boys  
 There was Ken, Jon, and then Emilio, along with two more joys.  
 Here's the story of a bunk named eight, that was busy with 6 brats  
 of its own  
 They spent nights out sitting on boulders, but they were all alone  
 And then one day when the two bunks came together  
 They had all just been with Mickey right before  
 They were destined to somehow form a family  
 That's the way they all became the dreaded four.  
 Group four...a bunch of twits...evry counselor fears the day they  
 have group four.
4. (tune: ("Someone"s in the kitchen with Dinah)  
 Eric's on his pillow laughing..Darren's in the corner you know  
 Ian's on his mattress smiling...strumming on the old banjo.  
 Singing...Barry, I'm sorry...from now on I'll know  
 You'll no longer see me strumming on the old banjo.
5. (tune: Charlie Brown)  
 He walks in the Platter cool and slow...After two beers he's bending  
 down low  
 Super Boob...Super Boob...A crazy dood...that super boob  
 He's gonna blow lunch, just you wait and see  
 "Why is everybody always pickin' on me?"  
 He walks back to campus cool and slow...Crawls into bed with Betty  
 and Moe  
 Super Boob...Super Boob...Beth where are you?...says super Boob  
 He's gonna kill that bush, just you wait and see.  
 "WHY IS EVERYBODY ALWAYS PICKIN' ON ME?"
6. (tune: Datsun Commercial)  
 Take a ride in the van...Go to play golf with Tom Peters  
 "Pick up hikers" He plays chicken  
 You were not vigilant...Hand me the keys now you airhead!  
 "You are fired!"
7. (tune: "We're off to see the Wizard)  
 We're off to see the mountains..the wonderful mountains of Maine  
 We hear it is a beautiful, beautiful, beautiful, beautiful, beautiful, beautiful,  
 a really place to take a trip...to bad the leader felt a drip...  
 Because, because, because, because, because...Because he is Mark Elliott  
 skit  
 We're back from seeing the mountains, the wonderful mountains of Maine  
 For sure they were a beautiful, beautiful, beautiful, beautiful place  
 The scenery was very fine, too bad we stayed just half the time  
 Because, because, because, because, because...Because of Mark's a  
 abortion.
8. (tune: Aquarius)  
 When Scott Korde is deep in outer space, and Seth Minkin is out on Mars  
 And Matt is ready for his launch to shoot him to the stars  
 This is the dawning of the age of the space cadets, age of the space  
 cadets  
 The space cadets.....( arms flailing )...the space cadets.
9. (tune: "No, No song")  
 When Bill the waiter came with a dessert on his tray, he smiled  
 because he did not understand  
 Zirkman reached out and grabbed the jello away, and campers came to  
 watch his famous hand  
 But he said.. "No, No, No, No, I don't snort) no more  
 I'm tired of getting fruit up my nose  
 No thank you please it only makes me seeze, and then I get a stain on  
 my clothes

BLUE TEAM FIGHT SONG 1980

( tune: Stars and

Three cheers for the hard fighting Blue  
We have spunk, we have drive, we have spirit  
We're shouting our name strong and true  
Loud enough for the Gray to hear.....it!

We're pushing the Gray till they drop  
And we're not giving up until we beat them.  
The Blue team will strive for the top  
And we will fight with all our might  
till we defeat them.

(spoken:) We're gonna be rough,  
We're gonna be tough  
We're gonna be better than Gray

Repeat Verse 1

The Gray team is up on the grill,  
As the Blue burns the flames ever higher.  
We'll broil them and roast them until,  
They all are beat ~~down~~ all the heat from  
our bright fire.

BLUE TEAM ALMA MATER

( tune: "You're My Home")

Walking through the morning dew  
The memories start running "cross my mind  
The crystal lake so sparkling blue  
The friendships made with people warm and kind.  
Well, there'll always be a place that we can  
call our very own  
And that one place is Chickawah, our home

Whistling pines and rolling hills  
Echo sounds of love through every heart  
Through the triumphs and the tears  
Lessons we'll remember when we part

Well ther'll always be a place that we can  
call our very own  
And that one place is Chickawah..our home  
And that one place is Chickawah...our home.
