

(tune: Hail, Hail, ... The Gang's All Here)

1. Don't fear.....The Gray team's here
 On us bet your money.....Blue team isn't funny
 Judges....We'll buy your beer
 If you say we're funny now!

skit: Little boy holding a plate: "Please sir...May I have some more?"

Moe: "You want more! ! !!"

2. Won't you hurry up to the Mess Hall
 Cause the food is getting cold
 By the time my waiter gets here.
 I'm gray and I'm getting old!
 So if you're gonna ask for seconds....You'd better be real bold
 (or very dumb)

And speaking of dumb:

3. (tune: Alice)
 Hatcher.....Where are you going
 I'm going down to the parking lot
 And then he had a six of Miller.....And his stomach got too hot!
 Rocky, he took exception....And his right hook went pow!
 Oh my goodness.....Oh my nose.....Goodbye Hatcher....There he goes
 Hatcher.....Where are you going?

Rocky tune

4. (tune: Somewhere over the Rainbow)
 Somewhere....deep into Orbit.;.....Bert's thought lie
 And if you try to reach him.....You'd better learn to fly!
 And as I'm sailing on the lake.....I look for Bert, and
 He.....goes.....fly.....ing.....by!

skit: somebody taking a shower

5. (tune: America)
 Everything's fine in the shower room
 You have good time in the shower room
 It's a hot time in the shower room
 110 volts in the shower room!

Voice: You've been on a mountain for 3 days and you need a shower!

6. (tune: The Caissons Go Rolling Along)
 Over hill, over dale, you can see him drag his tail
 Kenny Rosen goes schlepping along
 Pity Doug...pity Chuck....If we lose him we're in luck
 Kenny Rosen goes schlepping along!

(tune: Hail...Hail)

7. So long.....We sang our song
 Judges in the money.....Gray was really funny
 Poor Blue.....We pity you.
 Gray was really funny now!
